A close-up photograph of a young plant sprout emerging from dark, moist soil. The plant has a thin green stem and several small leaves. One leaf is a vibrant red, while the others are a mix of green and red. Water droplets are visible on the surfaces of the leaves and the soil. The background is a soft, out-of-focus green.

*“Create in me a
pure heart, O God,
and renew a
steadfast spirit
within me.”
–Psalm 51:10*

STEP RIGHT UP FOR THE SHOW OF A LIFETIME!

This summer, kids will discover how they're part of God's greatest story. Packed with high-energy fun, powerful lessons, and unforgettable memories, VBS 2026 is more than a week of activities—it's an experience that will inspire faith and light up hearts!

INCREDIBLE BIBLE ADVENTURES

Kids will explore amazing stories of faith and courage.

EPIC GAMES & ACTIVITIES

High-energy fun that keeps kids moving and smiling.

CREATIVE CRAFTS & MUSIC

Hands-on projects, uplifting songs, and joyful worship.

MAKE LASTING MEMORIES

New friendships, caring leaders, and a faith that lasts.

“My kids came home each day so excited to tell me about what they learned. VBS was the highlight of their summer!”

— VBS Parent

WOMEN'S DEVOTIONAL

June 2026

Father's Day in America started in the early 1900's and is now celebrated on the 3rd Sunday in June. This year - June 21st. The day is set aside to honor father's and father figures who set examples in love and guidance in their everyday lives.

This day is a time to thank our fathers and all other role models who give selflessly in their role as a father figure. No matter how the day is spent or celebrated, it is a time to show appreciation.

We all know the biblical stories of fathers such as Adam, Noah, Abraham, Joseph, and Job from the Old Testament. Each who demonstrated qualities in leadership, faithfulness, and compassion.

In the New Testament, Joseph stands out as an underrated father who fostered the life of Jesus Christ and saw to the needs of Jesus as He grew. Jesus surely loved him for his strength, honesty, and kindness.

God the Father is our father and the creator of all of us. We should see God as our Heavenly Father, provider, protector. He puts our lives in a whole new perspective. Every human Father is a Son of God, who is a constant source of strength, wisdom, and hope to Christians everywhere.

As the Summer Solstice also falls this year on June 21st, it being the longest day of the year, may we each enjoy the day in honor and memory of our earthly fathers and thank our Heavenly Father for His love and our many blessings!
